Application No. 10/501,725

Continuation of 11. does NOT place the application in condition for allowance because: Applicant argues that Reid's Local expert is never shown or described as remote.

The Examiner desagrees with the Applicant's argument because Reid's reference shows that the acquisition and analysis of data can be done remotely (see col. 7, lines 48-61 and Fig. 1) (location 34 is remote from site 12). Therefore the Examiner maitains the rejection as set in the office action mailed 9/25/07.

EDWARD RAYMOND PRIMARY EXAMINER
